2002 Collection of Statistics of Economic Activities

**MINING AND QUARRYING
AND
MANUFACTURING**

The Central Statistics Office is conducting a Census of Economic Activities for the year 2002. Data supplied should relate to the accounting year covering most of the year 2002. If precise figures are not available, please give the best estimates.

The Census is being conducted under the provision of the Statistics Act 2000 which guarantees the confidentiality of information collected as provided for in the Act.

Before completing the questionnaire, please read carefully the explanatory notes enclosed. If you need further clarification or assistance, feel free to contact the staff of Industry Unit of this office.
