EXPLANATORY NOTES

In case where payrolls are less than a month, the required data should relate to the last payroll in March 2018.

Non- Mauritians, outworkers and apprentices should be excluded

- 1. The data supplied should relate to **mauritian** employees in the specific occupations mentioned. If an occupation does not exist, it should be replaced by another occupation as similar as possible to the one mentioned in the form.
- 2. Normal hours of work per week (after which overtime conditions apply) is to be supplied for each occupation.
- 3. Figures in Column G should include *unpaid absences* (in days or hours) for all employees in each of the listed occupations *except those paid on monthly rates*.

- 4. Basic salaries/ wages refer to the total salaries/ wages (including cost of living allowance) paid to all employees in the specified occupation.
- 5. Regular allowances include bonuses, commissions, and other allowances which are *regularly* paid at end of each pay period. <u>Exclude</u> arrears and any irregular allowances.
- 6. The total number of overtime hours corresponding to the payments made in column J for each occupation should be inserted in column K. In case this information is not available, an indication of the mode of payment for extra work is to be given in column K. For example, whether it is 1.5 times or twice the basic rate.
