<sup>1</sup> Full Time courses are run especially for school leavers, to provide them with an initial qualification that would enable them to join the job market.

<sup>2</sup> Part Time courses, normally run after working hours, are meant for employees to upgrade their skills and knowledge.

<sup>3</sup> The Apprenticeship Scheme is an alternative system of training, where practical skills are learnt on-the-job while the theoretical knowledge is acquired in the Mauritius Institute of Training and Development (MITD) training centres.
