# DIGEST OF EDUCATIONAL STATISTICS – 2002

## FOREWORD

This is the nineteenth issue of a yearly publication of the Central Statistics Office on education statistics for the Republic of Mauritius.

Data on pre-primary, primary and secondary education have been collected from all schools in 2002 and processed at the Ministry of Education and Scientific Research. Some data on examinations, technical and vocational education and on tertiary education are also included.

It is hoped that the data assembled in this report will prove valuable to all users, in particular to education planners and policy makers. The assistance of the Ministry of Education and Scientific Research in the collection and processing of the information, the Central Information Systems Division in providing technical support and data entry facilities and cooperation of all heads of educational institutions in supplying the basic information are specially acknowledged.
