DIGEST OF EDUCATION STATISTICS - 1995

FOREWORD

This is the twelfth issue of a yearly publication of the Central Statistical Office on education statistics.

Detailed and comprehensive data on primary and secondary education have been collected from all schools in 1995 and processed at the Ministry of Education, Science and Technology. Some data on tertiary education have also been included. Information pertaining to school infrastructure, school population, personnel, examinations and others are presented in this publication.

Data on infrastructure, enrolment and personnel for both Primary and Secondary refer to 31st March 1995.

It is hoped that the statistics assembled in this report will meet the needs and requirements of the public in general and of the education planners and policy makers in particular.

The assistance of the Ministry of Education, Science and Technology in the collection and processing of the data, the Central Information Systems Division in the data entry part and the co-operation of all heads of educational institutions in providing the basic information is gratefully acknowledged

S. BASANT RAI
Director of Statistics

Central Statistical Office
Ministry of Economic Planning and Development
Port Louis.

July 1996

EDUCATION STATISTICS 1995

1. BUDGET

Out of the government estimated recurrent expenditure of Rs 15,900 million for the financial year 1995-96, the share of the Ministry of Education, Science and Technology was Rs 2,262 million (or 14.2%) compared to Rs 2063 million (or 14.4%) for 1994-95. Of this budget, 43% was allocated to the secondary sector, 34.8% to primary, 10.5% to Post Secondary, 1.2 to Technical/Vocational, 0.3% to Pre-primary and the remaining 10.2% to other expenses.

2. PRIMARY EDUCATION

2.1 Schools

Out of a total of 279 primary schools (267 in Island of Mauritius and 12 in Rodrigues), 220 were administered by government, 51 by the Roman Catholic Education Authority (RCEA), 2 by the Hindu Education Authority and the remaining 6 were private unaided schools.

2.2 Enrolment

In 1995 the number of children enrolled in primary schools totalled 122,895 (62,300 boys and 60,595 girls). The percentage distribution showed that 51% were boys and 49% girls. Seventy six per cent of the pupils were in Government schools while the remaining 24% were enrolled in aided and non-aided schools. The highest number (25,918) was found in standard VI because of repeaters, trying to obtain better results and hoping therefore to increase their chances for access to secondary schools of their choice. However, the number of repeaters was on the decline, 6,933 in 1995 as against 8,087 in 1994. Pupils enrolled in 1995 for any one of the 7 Asian languages numbered 79,670 representing 68% of total enrolment in the Island of Mauritius.

2.3 Personnel

Employment in the Primary Education Sector numbered 8,292 of whom 5,137 (2,582 male, 2,555 female) were teaching staff (excluding Deputy Head Teachers). The remaining comprised 271 Head Teachers, 973 Deputy Head Teachers and 1,911 administrative staff and manual workers. The number of pupils per teacher was 33 as against 32 in 1994.

2.4 Certificate of Primary Education (CPE) Examination.

School candidates who took part in the CPE Examination in November 1995 came up to a total figure of 27,733 (14,222 boys and 13,511 girls). Of these, 18,121 pupils (8,791 boys and 9,330 girls) passed the examination. The pass rate was 65.3% in 1995 against 61.2% in 1994. (See table 1.20)

3. SECONDARY EDUCATION

3.1 Schools

Out of 123 secondary schools (120 in the Island of Mauritius and 3 in Rodrigues), 23 were state and the remaining 100 were confessional and private schools.

3.2 Enrolment

The secondary school population numbered 91,104 with 44,270 boys and 46,834 girls. The comparative table (table 2.6) reflects an overall increase of 2% in enrolment. Twenty five per cent of the pupils were enrolled in state schools while the remaining were in private ones. The percentage distribution by gender remained the same for as the previous year's, that is 51% for girls against 49% for boys.

3.3 Personnel

The number of persons employed in the secondary sector totalled 6,638 comprising of 4,375 (or 66%) teaching staff and 2,263 (or 34%) administrative and other non-teaching staff. The state schools employed 25% of the teachers. The pupil/teacher ratio was same as for the year before, that is 21.

3.4 School Certificate and Higher School Certificate Examinations

In November 1995, 12,089 candidates (5,683 boys and 6,406 girls) were examined for the School Certificate Examination. Of these, 8,494 (70.3%) were successful. Comparing the performance with that of 1994, (table 2 20) a significant improvement of 4% is observed.

At the Higher School Certificate Examination, the pass rate went up to 66.3% (as against 63.3% for 1994) for a total number of 5,319 candidates (2,554 boys and 2,765 girls).

4. TERTIARY EDUCATION

4.1 University of Mauritius (UOM)

4.1.1 Enrolment

The University of Mauritius offers a variety of courses ranging from certificate level to higher degree. Some external award courses are also offered. The comparative figures (table 3 2) of 94/95 and 95/96 reflect an overall increase of 7% in enrolment at all levels and for all the five faculties.

Of a total enrolment of 2,344 students, 1,587 are engaged in full time academic pursuits and 757 are on part time basis. While a significant decrease is observed for non-degree courses, the enrolment (1,188) for degree courses has gone up. This is in keeping with the policy to gradually phase out the certificate courses and develop the University primarily into a degree awarding Institution.

4.1.2 Output

For the academic year 1994/95, the number of students who graduated from the University of Mauritius was 705, consisting of 431 male and 274 female students. There has been a perceptible increase in the number of passes (365) at diploma and (236) at degree level respectively.

4.2 Mauritius Institute of Education (MIE)

4.2.1 Enrolment

The Mauritius Institute of Education offers series of different courses ranging from the Post Graduate Certificate in Education to the Teacher's Certificate. The clientele consists basically of those engaged (or are to be engaged) in teaching and educational administration.

Enrolment at all levels totalled 3,171 (1,585 male and 1,586 female students). The majority (2,554) of the students were following courses on a part time basis while 617 trainee teachers for the primary sector were on a full-time basis.

4.3 Mahatma Gandhi Institute (MGI)

4.3.1 Enrolment

The Mahatma Gandhi Institute which also comprises a secondary school with 971 students offers courses in 3 broad areas: the Performing Arts, Fine Arts and Indian Languages. These are classified under Certificate, Diploma and Joint Honours Degree. For 94/95, 417 were enrolled for the Performing Arts and 36 for the Fine Arts. As for the Indian Languages there was a total enrolment of 302 including 28 who followed full time Joint Honours Degree (with part attendance at the University of Mauritius). The highest enrolment figure was registered for the part time certificate in Indian Music and Dance (372) followed by 3- year part time Diploma in Indian Languages (109).
