## External Trade - First Semester 1992

This report, on External Trade Statistics used to be published every quarter since 1985. In 1987 and 1988, only one single annual report consolidating the four quarterly data was published and as from 1989, it is being published on a semester basis.

This issue contains quarterly data on exports and imports relating to the year 1992. The figures are provisional and are liable to revision in the next issue.

The basic data for the preparation of this publication are obtained from the Bills of Entry filed in at the Customs & Excise Department and from the Mauritius Sugar Syndicate and the State Trading Corporation which provide supplementary information. The Central Information Systems Division (CISD) of the Ministry of Finance is responsible for the processing of the data. Grateful acknowledgement is expressed here to all these departments for their continued cooperation.

It is hoped that data given in this report proves useful to the public in general and to all those in the field of external trade.

D. Zmanay  
Director of Statistics

Central Statistical Office,  
Ministry of Economic Planning and Development,  
PORT LOUIS.

November, 1992.

External Trade

First Semester 1992

N O T E S

Figures are provisional and subject to revision.

1. COVERAGE

EXPORTS

- Cover : 1. Domestic exports (including exports from the Export Processing Zone)
2. Re-Exports
3. Export ex Warehouse
4. Returned goods
- Include : 1. Government, Parcel Post and Air Freight
- Exclude : 1. Trade with Outer Islands
2. Ships' stores and bunkers

IMPORTS

- Cover : 1. Landed merchandise sent to warehouse for subsequent delivery
2. Landed merchandise issued for home consumption
- Include : 1. Government, Parcel Post and Air Freight
2. Donations from other Government and International Organisations
- Exclude : 1. Trade with Outer Islands
2. Bullion and species

2. VALUATION AND STATUS OF FIGURES

Exports are valued F.O.B. and imports C.I.F.

F.O.B. Free on Board

C.I.F. Cost, Insurance and Freight

All figures quoted are in Mauritian Rupees

3. COMMODITY CLASSIFICATION

The classification used for the compilation of trade statistics on the Standard International Trade Classification (Revised III) or S.I.T.C. (Rev. III). However, import and export bills of entry are being worked upon according to the Harmonized Commodity Description and Coding System Nomenclature, shortly known as the Harmonized System Nomenclature (H.S.N.).

4. DATA PROCESSING

As from September 1990 the data on bills of entries are being captured using the Asycuda software installed at the Customs Department. All tabulations are processed by the C.I.S.D. of the Ministry of Finance.

5. ROUNDING OF FIGURES

Figures have been rounded off to the nearest final digit and in some cases to the nearest one decimal place and as a result in some tables there may be discrepancies between the sum of the constituent items and the total.

6. SYMBOLS

- Nil or negligible
- ... Not available
- .- Not applicable

## External Trade - 2nd Quarter & 1st Semester 1992

### 1. Total value of trade and the trade balance

During the 2nd quarter of 1992, total international trade for the country was valued at around Rs 10,900 million, 12% higher than that of the corresponding quarter of 1991 and about 5% above the previous quarter's level.

The cumulative total for the first semester of 1992 therefore attained Rs 21,200 million, which represents an increase of Rs 1,800 million or 9% over the corresponding period of 1991.

With exports worth of Rs 4,450 million and imports, Rs 6,450 million, the balance of visible trade for the 2nd quarter of 1992 resulted in a deficit of some Rs 2,000 million. This figure compares with a deficit of Rs 1,700 million registered in the corresponding quarter of 1991 and Rs 1,300 million, in the previous quarter.

The trade deficit for the first six months of 1992 amounted to a slightly higher total of Rs 3,300 million against Rs 3,000 million recorded in the corresponding period of 1991.

### 2. Terms of trade (Base year: 1988 = 100)

The terms of trade, index which shows price movements of exports relative to imports, improved further by 2 percentage points to 105 from 103 in the first quarter 1992 and 100 for the year 1991.

Export and import unit value indices computed for the 2nd quarter 1992 relative to the first quarter 1992 show price increases of 7% for exports and 4.5% for imports.

The rise in export prices is attributable to a 5% increase in sugar prices and 8% higher prices for EPZ products. On the other hand, higher prices were paid for the import of the following manufactured goods: +6% for food products and +5% in respect of other manufactured goods and petroleum products.

Compared to the average prices that prevailed in 1991, the unit value indices for the first semester indicate a 5% rise in respect of goods exported and only a 2% increase for imported goods.

### 3. Exports

Total export proceeds for the 3 month period, April to June 1992, amounted to Rs 4,450 million, some 11% higher than in the corresponding quarter of 1991 but slightly lower than in the previous quarter.

Domestic exports were dominated by EPZ exports which accounted for nearly 80% of the total with Rs 3,340 million whilst sugar contributed only 15%, with Rs 683 million. Sugar exports are usually at a minimum during this period of the year.

Total export proceeds for the first semester of the year 1992 therefore attained Rs 8,960 million, increasing, in nominal terms, by 9% over the corresponding period for 1991. In volume terms, exports grew by nearly 4%.

(ii)

Comparative export figures for the first semester 1991 and 1992 are given below.

<u>Commodity</u>	<u>(f.o.b. Rs Mn)</u>		
	<u>Jan.-June 1991</u>	<u>Jan.-June 1992</u>	<u>Change</u>
Sugar	1,798	2,030	+ 232
EPZ	5,441	6,040	+ 599
Re-exports	394	265	- 129
Other	587	625	+ 38
<b>Total exports</b>	<b>8,220</b>	<b>8,960</b>	<b>+ 740</b>

The country's main market remained the European Economic Community (EEC) which purchased nearly 80% of our exports. The United States absorbed another 14% of the total.

#### 4. Imports

The import bill for the second quarter was valued at Rs 6,450 million, some 13% higher than in the corresponding quarter and 11% above the previous quarter's level.

Imports for the first half of 1992 therefore increased by some 9% to Rs 12,250 million from Rs 11,200 million in the corresponding period of last year. After elimination of price effects, estimated at about 2% in volume terms, imports grew by 7%.

As shown in the comparative table below, all product groups, with the exception of petroleum products, have recorded increases. Major increases are noted in the imports of raw materials by EPZ enterprises (+Rs 343 million); machinery and equipment (+Rs 285 million) and other manufactured goods (+Rs 213 million). On the other hand, the import bill for petroleum products was lower by some Rs 100 million.

(c.i.f. Rs Mn)

<u>Product group</u>	<u>Jan.-June 1991</u>	<u>Jan.-June 1992</u>	<u>Change</u>
1. Food and beverages	1,322	1,438	+ 116
2. Petroleum products	997	898	- 99
3. Chemicals	821	910	+ 89
4. EPZ: Raw materials	3,013	3,356	+ 343
Machinery	556	360	+ 4
5. Other manufactured goods	2,017	2,230	+ 213
6. Machinery (excluding EPZ)	2,049	2,434	+ 385
7. Other goods	610	624	+ 14
<b>Total Imports</b>	<b>11,185</b>	<b>12,250</b>	<b>+1,065</b>

During the first semester of 1992, over 33% of our imports were purchased from the EEC with France itself supplying some 13%. Other major suppliers were South Africa and Japan accounting for 12% and 7% respectively.

#### 5. The EPZ sector

During the second quarter, the EPZ enterprises exported some Rs 3,340 million worth of goods bringing the total for the first semester to Rs 6,040 million. This figure compares with Rs 5,440 million achieved last year and represents a nominal increase of 11%. As price increases between these two periods are estimated to have been around 8%, in volume terms, EPZ exports increased by around 2% only.

Imports of raw materials during the first semester amounted to around Rs 3,350 million, some Rs 350 million higher than in the corresponding semester of 1991. Imports of machinery and equipment remained at the same level, i.e., at Rs 350 million.

Net EPZ exports for the first six months of the year therefore yielded Rs 2,323 million, slightly higher than the Rs 2,100 million earned in the corresponding period of last year. The ratio of net exports to exports maintained the level of 42% recorded in 1991.

#### 6. Forecast - year 1992

On the basis of trade data now available for the first six months of the year, and considering likely movements during the second semester, a forecast of imports and exports over year 1992 has been worked out.

Exports are projected to attain Rs 20,900 million with the share of sugar valued at Rs 5,400 million and EPZ exports at Rs 13,500 million.

The import bill will most likely amount to Rs 26,600 million compared to Rs 24,650 million last year.

On this trend, the balance of visible trade for the current year will yield a deficit of around Rs 5,700 million against Rs 5,400 million registered in 1991.

	1991 (provisional)	(Rs million) 1992 (forecast)
Exports	19,272	20,900
Sugar	(5,221)	(5,400)
EPZ	(12,136)	(13,500)
Imports	24,650	26,600
Trade Balance	-5,378	-5,700
