***** Data prior to 2006 are not strictly comparable due to different accounting systems (SNA 1993 and SNA 2008) and different industrial classifications for national economic activities (NSIC Rev. 1 and NSIC Rev. 2)

******Due to COVID-19 Pandemic, the Annual Survey in Schools was carried out in October 2021. The school calendar 2021 has been extended to year 2022 and data collection has been adapted accordingly. Available indicators are for 2021/2022.

⁴ Definition of EOEs:comprise manufacturing enterprises formerly operating with an Export Certificate and those export manufacturing enterprises holding a registration certificate

⁵ There has been an increase in enrolment Grade 1 due to a change in School Calendar from January-December to June-April following COVID-19 induced school closures
