DIGEST OF EDUCATIONAL STATISTICS

1 9 8 4

This is the first issue of a regular publication of the Central Statistical Office on educational statistics.

Detailed and comprehensive data on primary and secondary education have been collected from all schools and colleges of the Country in 1984 and processed by the micro-computer of the Ministry of Education, Arts and Culture. The results which show information relating to schools, enrolments, teaching and administrative staff, examinations, etc. are presented in this publication.

Data on primary education refer to 28th February 1984. The reference date for information on secondary data is the 20th April 1984.

It is hoped that the statistics which have been assembled in this report will be useful to the public in general and to education planners and policy makers in particular.

The assistance of the Ministry of Education, Arts and Culture in the collection and processing of the data and the co-operation of all head teachers and managers of educational institutions in providing the data are gratefully acknowledged.
