DIGEST OF EDUCATION STATISTICS - 1996

FOREWORD

This is the thirteenth issue of a yearly publication of the Central Statistical Office on education statistics.

Detailed and comprehensive data on pre-primary, primary and secondary education have been collected from all schools in 1996 and processed at the Ministry of Education, Human Resource and Development. Some data on tertiary education have also been included. Information pertaining to school infrastructure, school population, personnel, examinations and others are presented in this publication.

Data on infrastructure, enrolment and personnel for both Primary and Secondary refer to 31st March 1996.

It is hoped that the statistics assembled in this report will meet the needs and requirements of the public in general and of the education planners and policy makers in particular

The assistance of the Ministry of Education, Human Resource and Development in the collection and processing of the data, the State Informatics Limited in providing hardware facilities, the Central Information Systems Division in the data entry and the cooperation of all heads of educational institutions in supplying the basic information is gratefully acknowledged.

S. BASANT RAI

EDUCATION STATISTICS 1996

1. BUDGET

Government recurrent expenditure on education for financial year 1996/97 was Rs 2,380 million which represents 13% of the total budget of Rs 18,050 million. Out of the Rs 2,380 allocated to the Ministry of Education 1.3% was distributed to the pre-primary, 34.5% to primary, 40.3% to secondary, 12.8% to post secondary, 1.8% to technical and vocational, and the remaining 9.3% to other expenses (refer Table 1).

2. PRE-PRIMARY EDUCATION

2.1 Schools

In September 1996, a survey was carried out in 1,096 preprimary schools in the Island of Mauritius and 35 in Rodrigues. From the survey figures, it was found that 12.2% of these schools were administered by Parent Teacher Associations (PTA's) on primary schools' premises and the other 87.8% were privately run institutions.

2.2 Enrolment

The pre-primary schools had a total enrolment of 33,420 pupils in the Island of Mauritius and 1,024 in Rodrigues. The percentage distribution showed that 51% were boys and 49% were girls.

2.3 Personnel

The number of teachers employed totalled 2,469, representing 74 % of total employment in the pre-primary sector. Pupil teacher ratio works out to 14.

3. PRIMARY EDUCATION

3.1 Schools

During the reference year 281 primary schools were operational, 269 in Island of Mauritius and 12 in Rodrigues. The majority of schools (220) were administered by government, 51 by the Roman Catholic Education Authority (RCEA), 2 by Hindu Education Authority and the remaining 8 were private unaided schools.

3.2 Enrolment

The overall primary school population in the Republic of Mauritius increased by 1.4% in 1996, reaching the figure of 124,589 (63,210 boys and 61,379 girls). The government schools enrolled 76% of the pupils, while the aided and non aided schools had the remaining 24%.

The number of pupils differed from grade to grade. The highest number (23,889) was again found in grade VI, because of 5,601 repeaters who were trying to obtain better results and hoping to get admitted in schools of their choice. It is however to be noted that the number of repeaters is decreasing: 5,601 in 1996 as against 6,933 in 1995 and 8,087 in 1994, that is a decrease of 19% in 1996 compared to 14% in 1995. The seven Asian Languages were studied by 80,185 pupils, representing 67% of pupils enrolled in the Island of Mauritius during the year 1996.

3.3 Personnel

Total employment in the primary sector for the year 1996 was 8,368 (4,982 male and 3,386 female). Of these 5,215 were teaching staff (excluding Deputy Head Teachers), 3,727 General Purpose Teachers and 1,488 Asian Language Teachers. The remaining 3,153 comprised of 276 Head Teachers, 1,009 Deputy Head Teachers, and 1,868 other administrative and manual workers (refer table 6). The pupil teacher ratio remained the same as for 1995, that is 33.

3.4 Certificate of Primary Education (CPE) Examination

The number of school candidates taking part at the CPE Examination in November 1996 totalled 25,629 (13,129 boys and 12,500 girls). The overall performance of school candidates for the Republic of Mauritius is same as last year with a pass percentage of 65.3%. The girls have been doing better than the boys: 68% compared to 60%.

4. SECONDARY EDUCATION

4.1 Schools

The number of secondary schools was 130 (127 in Island of Mauritius and 3 in Rodrigues) with the opening of 6 State Secondary Schools and the division of one private school into boys and girls schools. There were thus 29 State Schools, the rest being confessional and private schools.

4.2 Enrolment

The 1996 total enrolment figure of 93,037 (45,566 boys and 47,471 girls) shows an increase of 2% as compared to the year 1995, with 91,104 (44,270 boys and 46,834 girls). The State Schools enrolled 21% of the pupils while the private schools had the other 79%. The percentage distribution by gender remained the same, 51% for girls and 49% for boys.

4.3 Personnel

Total employment in the secondary sector numbered 6,956, of which 66% or 4,564 were teaching staff. Of these 26% were employed by the state schools. The non teaching staff comprised of 891 administrative staff and 1,501 manual workers. The number of pupils per teacher works out to 20 as compared to 21 for 1995.

4.4 School Certificate (SC) and Higher School Certificate (HSC) Examinations

Out of 12,846 candidates examined at the SC examination, 9,626 or 74.9% were successful. There has been a significant improvement of 4.5% in the results as compared to year 1995. Similar to the previous years the performance of girls has been better than boys, 77.1% against 72.6%.

At the HSC examination, 5,257 candidates were examined and 3,619 (68.8%) completed. In absolute terms, the number of pupils taking part have declined by 62. However, the pass rate has improved by 2.5%. A percentage distribution by gender, shows that the performance of boys (68.7%) and girls (68.9%) are almost the same.

4.5 Technical and Vocational Education

In 1996, there were 19 Basic Secondary Schools (18 in the Island of Mauritius and 1 in Rodrigues) catering for those pupils who did not succeed at the CPE examination. The number of pupils attending these schools totalled 1,027 (683 boys and 344 girls).

Further technical education and training is provided by the Industrial and Vocational Training Board (IVTB) in 18 centres. Students attending full-time courses, mainly school leavers, numbered 1,012 while those enrolled for the part time short courses was 1,410. (Refer Table 17)

5. TERTIARY

5.1 University of Mauritius(UOM)

5.1.1 Enrolment

The University offers courses from certificate to higher degree level. Student population in all the five faculties numbered 2,496 (1,342 male and 1,154 female students). Of this enrolment, 1,801 were engaged in full-time courses and 695 attended courses on a part time basis. The full-time enrolment increased by 13% while that of part time students decreased by 8%. Table 19 shows that more emphasis is being put on degree and higher degree courses.

5.1.2 Output

For the academic year 1994/95, the number of students graduating from the university was 860 as compared to 705 the year before. There has been increasing number of passes at all levels : 465 at Diploma level, 309 at degree level and 31 at the higher degree level.

5.2 Mauritius Institute of Education (MIE)

5.2.1 Enrolment

The Mauritius Institute of Education offers a series of different courses, ranging from the Post Graduate Certificate of Education to the Teacher's Certificate, for those engaged (or to be engaged) in teaching and educational administration.

The students' population at all levels consisted of 2,640 students engaged in part time academic pursuits and 421 trainee primary teachers on a full time basis.

5.3 Mahatma Gandhi Institute (MGI)

5.3.1 Enrolment

The Mahatma Gandhi Institute (which also comprises a secondary school with 862 students) offers courses in 3 different broad areas: the Performing Arts, the Fine Arts and Indian Languages. The courses are run at certificate, diploma and degree level.

For 1995/96, the highest number (431) was enrolled for the Performing Arts and 43 for the Fine Arts, both on part time basis. As for the Indian Languages there was a total enrolment of 152 including 28 who followed full time Joint Honours Degree (with part attendance at the UOM).
