CENTRAL STATISTICAL OFFICE

**QUARTERLY
EXTERNAL TRADE
STATISTICS**

1st to 4th quarters 1987

May 1988

(Price: Rs 75.00)

F O R E W O R D

As from 1985 the report on External Trade Statistics is being published on a quarterly basis by the Central Statistical Office. During the year 1987, however, owing to considerable delays in data processing, it has not been possible to issue the report on a quarterly basis. The present report therefore consolidates the four quarterly data into one single annual report.

The report is designed to disseminate, in summary form, data on the exports and imports of the country for the relevant quarter or for a year as soon as they become available. More detailed data for the year 1987 will appear in the Annual Report of the Customs and Excise Department.

Basic data for the preparation of this publication have been obtained from the bills of entry of the Customs and Excise Department.

The figures for 1987 are provisional and are liable to revision in future. Figures have been rounded off to the nearest final digit, and in some tables there may be discrepancies between the sum of the constituent items and the total.

It is hoped that data contained in this report will be useful to the public in general and to all those in the field of external trade.

D. Zmanay
Director of Statistics

Central Statistical Office,
Rose Hill.
MAURITIUS.

2. VALUATION

Exports are valued F.O.B. and imports C.I.F.

F.O.B. Free on Board

C.I.F. Cost, Insurance and Freight

All figures quoted are in Mauritian Rupees

3. COMMODITY CLASSIFICATION

The classification used for the compilation of trade statistics is based on the Standard International Trade Classification (Revised II) or S.I.T.C. (Rev. II). However, imports and export bills of entry are being worked upon according to the Customs Co-operation Council Nomenclature (C.C.C.N.).

4. ROUNDING OF FIGURES

Figures have been rounded off to the nearest final digit and in some cases to the nearest one decimal place and as a result in some tables there may be discrepancies between the sum of the constituent items and to the total as shown.

External Trade - Year 1987

1. Total Trade

The year 1987 witnessed a tremendous expansion in the volume of international trade which grew by about 28% when compared with 1986. This resulted not only from a higher level of exports, but also from a still higher growth in the level of imports. In fact the total value of trade amounted to Rs 25,076 million in 1987 as compared with Rs 18,612 million in 1986 - an increase of about 35% in value terms. The share of exports amounted to Rs 12,034 million and that of imports to Rs 13,042 million.

2. Balance of Visible Trade.

The country has therefore registered an external trade deficit of about one thousand million rupees during 1987. Deficits were registered during all the quarters of 1987, starting with Rs 36 million in the first quarter to attain values as high as Rs 415 million and Rs 413 million during the second and fourth quarters respectively. It will be recalled that a surplus of Rs 214 million was observed in 1986.

3. Terms of Trade.

The terms of trade were very favourable to the country in 1987 and worked out to be 158, thus rising by 11 points with respect to 1986.

The level of the prices of exported goods during 1987 has increased by about 11% over 1986 mainly because of higher prices obtained for sugar and EPZ products, whilst that of imported commodities rose by about 3% despite the appreciation of certain foreign currencies like the British pound sterling, French Franc and Japanese Yen.

4. Exports

Total export earnings during 1987 have substantially increased by Rs 2,621 million (28%) over 1986 to reach Rs 12,034 million. In terms of volume the growth amounted to about 15%.

The nominal value of exports during the first quarter of 1987 stood at Rs 2,463 million but reached Rs 3,421 million during the last quarter, i.e. increasing by an average quarterly rate of about 11.6% at current prices and 10.6% at constant prices.

The value of EPZ exports for the year 1987 aggregated to the level of Rs 6,700 million. It moved from a relatively low level of nearly Rs 1,200 million during the first quarter, to proceed to about Rs 1,600 million during the second and attaining in the third as well as the fourth quarters the level of nearly Rs 1,950 million. The value increase over 1986 was about 35%. As the level of export prices climbed by about 9%, the volume growth in the exports of EPZ products is estimated to be around 24%.

(ii)

The main markets that have purchased EPZ products are the following : France (Rs 2,499 Mn), the United States of America (Rs 1,620 Mn), the Federal Republic of Germany (Rs 891 Mn) and the United Kingdom (Rs 696 Mn).

The volume of sugar exported during the year 1987 amounted to 656 thousand tons (nearly 5% increase over 1986). Earnings from sugar exports were valued at Rs 4,310 million (about 21% increase over 1986). Out of the 656 thousand tons of sugar shipped, 520 thousand tons went to the EEC countries (f.o.b. value Rs 3,997 Mn), 127 thousand tons to the World market (Rs 257 Mn) and the remaining 10 thousand tons to the United States of America for Rs 56 million. The value of sugar exported represented 38% of total domestic exports in 1987 compared with 40% in 1986.

Exports of tea have again declined that year, this time to Rs 90 million from Rs 104 million in 1986 despite the fact that there has been an expansion of about 3.5% in the volume exported. This was so because the export price of tea per kg. has fallen to Rs 13.61 in 1987 from Rs 16.28 the previous year.

Both re-exports and ships' stores and bunkers have been on the increase for the year 1987. The value of re-exports reached Rs 162 million, whilst that of ships' stores and bunkers Rs 430 million.

The value of goods exported towards the EEC Countries in 1987 amounted to Rs 9,204 million, representing nearly 80% of our total exports. Shipments to the United Kingdom and France were Rs 4,055 million (35%) and Rs 3,078 million (26%) respectively. The United States of America have absorbed 15% (Rs 1,697 Mn) as compared with 16% (Rs 1,457 Mn) in 1986.

5. Imports

During the year 1987 the value of total imports of the country has increased by over 40% with respect to 1986 to reach the high level of Rs 13,042 million. The real growth worked to about 35% when the effects of prices which amounted to an increase of about 3% are eliminated.

The values of imports have been continuously increasing over the four quarters of 1987. From Rs 2,499 million in the first quarter, imports went up to Rs 3,165 million in the second, reaching Rs 3,545 million in the third to finally attain Rs 3,334 million in the last quarter. At current prices imports have grown at an average quarterly rate of 15.3% during 1987, while at constant prices it was about 13.7%

The value of imports has been greatly affected by substantial increases in imports of machinery and transport equipment (+ Rs 1,303 Mn) and textile fibres, yarn and fabrics (+ Rs 1,009 Mn). Other items that have contributed to the increase comprise food products (+ Rs 289 Mn), refined petroleum products (+ Rs 248 Mn) and chemicals (+ Rs 232 Mn).

It is worth pointing out that imports of passenger motor cars increased from 1,472 in 1986 valued at Rs 108 million to 3,124 in 1987 for a value of Rs 222 million. Similarly, imports of video recorders jumped from 2,391 in 1986 to 32,579 in 1987 rising correspondingly in value from Rs 14 million to Rs 120 million.

EPZ imports of raw materials and equipment for the year 1987, amounted to about Rs 4,800 million as compared with Rs 3,863 million in 1986. The first quarter figure was nearly Rs 1,000 million, growing to about Rs 1,200 million during the second quarter, reaching Rs 1,300 million in each of the last two quarters. The most important suppliers of the inputs for the EPZ industries were France (Rs 8,36 Mn), Hong Kong (Rs 729 Mn), Taiwan (Rs 468 Mn) and Japan (Rs 358 Mn). The net EPZ exports for 1987 were Rs 1,899 million (28%). It is to be noted that this ratio was around 22% during the previous three years.

The broad groups of items that have weighed heavily in the 1987 import bill of the country comprise the following: food products (Rs 1,471 Mn), refined petroleum products (Rs 881 Mn), chemicals (Rs 830 Mn), EPZ raw materials and equipment (Rs 4,801 Mn), machinery and transport equipment other than for EPZ sector (Rs 2,286 Mn). These accounted for nearly four-fifths of the total imports of the country.

The structure of imports by commodity class in 1987 showed only little change over that of 1986 except for a decrease in the share of food products from 12.9% to 11.3%, another fall from 41.6% to 40.0% in the share of manufactured goods classified chiefly by material and a rise from 17.2% to 22.1% in machinery and transport equipment.

As usual, about one third of the country's imports during 1987 were supplied by the EEC countries (Rs 4,281 Mn); from this group : France came first with Rs 1,699 million, followed by the United Kingdom with Rs 1,058 million. Other important sources were Japan (Rs 1,279 Mn), the Republic of South Africa (Rs 1,110 Mn) and the Gulf countries (Rs 941 Mn).
