FOREWORD

External Trade - Second Semester 1993

This report, on External Trade Statistics used to be published every quarter since 1985. In 1987 and 1988, only one single annual report consolidating the four quarterly data was published and as from 1989, it is being published on a semester basis.

This issue contains quarterly data on exports and imports relating to the year 1993. The figures are provisional and are liable to revision in the next issue.

The basic data for the preparation of this publication are obtained from the Bills of Entry filed in at the Customs & Excise Department and from the Mauritius Sugar Syndicate and the State Trading Corporation which provide supplementary information. The Central Information Systems Division (CISD) of the Ministry of Finance is responsible for the processing of the data. Grateful acknowledgement is expressed here to all these departments for their continued cooperation.

It is hoped that data given in this report proves useful to the public in general and to all those in the field of external trade.

External Trade

N O T E S

1. COVERAGE

EXPORTS

- Cover : 1. Domestic exports (including exports from Export Processing Zone)
2. Re-Exports
3. Export ex Warehouse
4. Returned goods
- Include : 1. Government, Parcel Post and Air Freight
- Exclude : 1. Trade with Outer Islands
2. Ships' stores and bunkers

IMPORTS

- Cover : 1. Landed merchandise sent to warehouse for subsequent delivery
2. Landed merchandise issued for home consumption
- Include : 1. Government parcel Post and Air Freight
2. Donations from other Government and International Organisations
- Exclude : 1. Trade with Outer Islands
2. Bullion and species

2. VALUATION AND STATUS OF FIGURES

Exports are valued on an F.O.B. basis and imports C.I.F. basis

F.O.B. Free on Board

C.I.F. Cost, Insurance and Freight

All figures quoted are in Mauritian Rupees

3. COMMODITY CLASSIFICATION

The classification used for the compilation of trade statistics is the Standard International Trade Classification (Revised III) or S.I.T.C. (Rev. III). However, import and export bills of entry are being worked upon according to the Harmonized Commodity Description and Coding System Nomenclature, shortly known as the Harmonized System Nomenclature (H.S.N.).

4. ROUNDING OF FIGURES

Figures have been rounded off to the nearest final digit and in some cases to the nearest one decimal place and as a result in some tables there may be discrepancies between the sum of the constituent items and the total.

5. SYMBOLS

- Nil or negligible
- ... Not available
- .- Not applicable

6. ABBREVIATIONS

- Rs : Rupees
- 000 : Thousand
- Mn : Million
- M.ton : - Metric ton : 1,000 kilos
- No. : Number
- M² : Square metre

* * * * *

EXTERNAL TRADE - 4th QUARTER AND YEAR 1993

1. Total international trade

The total value of trade during the fourth quarter of 1993 was valued at Rs 15,000 million that is about 16 percent higher than that of the corresponding quarter of 1992 but almost the same level as that of the previous quarter. Total trade for the year 1993 therefore amounted to Rs 53,800 million, representing an increase of Rs 7,800 million or 17 percent over the previous year's level of Rs 46,000 million.

1.1. *Balance of visible trade*

During the fourth quarter, exports totalled Rs 6,400 million and imports, Rs 8,700 million yielding a relatively higher deficit of Rs 2,300 million, compared to Rs 900 million in the corresponding period of 1992 and Rs 500 million in the previous quarter.

Exports for the year 1993 therefore attained Rs 23,500 million registering an increase of Rs 2,800 million (+ 13%) over the previous year. As imports grew at a higher rate (+20%) and was valued at Rs 30,300 million, the trade balance of the country ended with a deficit of Rs 6,800 million, 50 percent higher than the Rs 4,500 million in 1992. Fig. 1 gives the trend in exports, imports and trade balance over the period 1989 to 1993.

Fig 1 - Imports, Exports & Trade Balance

1.2. *Terms of trade (Base Year 1992=100)*

The terms of trade which show price movements of exports relative to imports fell by two percentage points to 98 from 100 in 1992. The unfavourable terms of trade resulted from the higher prices of imports which went up by 11 percent whilst those of exports lagged behind rising by 9 percent only.

2. Exports

Total export proceeds for the year 1993 increased by about 13 percent or Rs 2,800 million to Rs 23,500 million from Rs 20,700 million in 1992. In volume terms, exports grew by only 4 percent as most of the nominal increase is explained by the effects of price(+9%).

The rise in exports is solely attributable to a substantial 21 percent rise in the export proceeds of the EPZ sector (Rs 15,821 million) which accounted for 67 percent of the total. Receipts from sugar in 1993 fell slightly to Rs 5,770 million from Rs 5,840 million in 1992. Only 540,000 metric tons of sugar were exported compared to 598,000 metric tons in 1992. Other exports comprising mainly chemicals, flour and flowers increased by 12 percent to Rs 850 million. Re-exports and ships stores and bunkers (Rs 1,100 million) remained at their previous year's level.

Exports by country of destination for the year 1993 (table 5) show a decline in the share of our main buyer, the EEC, which fell from 80 to 73 percent mainly due to the increasing exports to the USA. Exports to the EEC rose by 4 percent to Rs 16,900 million whilst the US market which absorbed as much as Rs 4,100 million (18%) increased by 64 percent.

Fig 2 - Exports by destination, 1992

Fig 3 - Exports by destination, 1993

3. Imports

The import bill for the year 1993 was valued at Rs 30,300 million, some Rs 5,000 million or 20 percent above the 1992 figure of Rs 25,300 million. After allowing for price increases of around 11 percent the increase in volume works out to 8 percent.

As shown in table 6, trade was mainly concentrated in manufactured products which accounted for 46 percent of the total, followed by machinery and equipment, 22 percent, food, 13 percent, fuel and chemicals contributed 7 percent each.

The table below gives comparative import figures for the year 1992 and 1993.

	(value c.i.f Rs Mn.)			(%)change		
	1992	1993	Increase	value	Price	Volume
Total Imports	25,280	30,319	+5,039	+20	+11	+8
Food, beverages and tobacco	3,047	3,896	+849	+28	+9	+17
Fuel	1,945	2,109	+164	+8	+5	+3
Chemicals	1,901	2,216	+315	+17	+9	+7
Manufactured goods	11,502	13,910	+2,408	+21	+9	+11
Machinery	5,715	6,787	+1,072	+19	+15	+3
Other goods	1,170	1,401	+231	+20	+15	+4
EPZ Imports	(7,132)	(9,326)	(+2,194)	(+31)	(+10)	(+19)
Raw materials	(6,455)	(8,221)	(+1,766)	(+27)	(+9)	(+17)
Machinery	(677)	(1,105)	(+428)	(+63)	(+15)	(+42)

As shown in the table above, all products groups with the exception of petroleum products have recorded high increases ranging from 17 percent and 28 percent.

The substantial rise of 28 percent noted in the expenditure in food, beverages and tobacco is due to both higher imports of intermediate and consumption goods. Nearly half of the increase registered in total imports from 1992 to 1993 was accounted for by imports of manufactured goods which went up from Rs 11,502 million to Rs 13,910 million (+21%). The EPZ sector's bill was 31 percent higher with raw materials worth of Rs 8,221 million compared to Rs 6,455 million in 1992 (+27%) and machinery and equipment, Rs 1,105 million against Rs 677 million a year ago(+63 %).

Table 8 on imports by country of origin shows that during the year 1993 our main source of imports remained the EEC which accounted for 33 percent with France sharing 38 percent. However it is worth pointing out that South Africa is now our main supplier, supplying 14 percent of our imports. Other suppliers were mainly Japan and India (6%) each, Hong Kong (5%), China and Taiwan (4%) each.

4 The EPZ Sector

Exports of the EPZ enterprises shot up by 21 percent to Rs 15,800 million from Rs 13,100 million in the previous year and Rs 12,100 million in 1991. As 1993 prices were 9 percent higher than those of 1992 EPZ exports

grew in real terms by 11 Percent. This remarkable performance compares with a negligible growth rate of 1 percent in the two previous years.

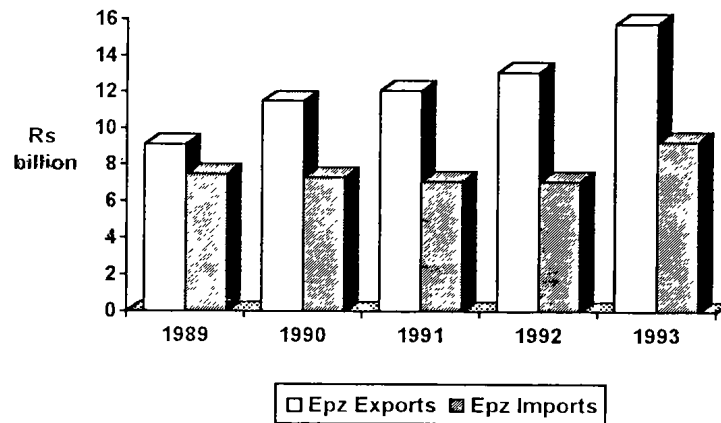

The substantial rise is mainly attributable to the considerable expansion of exports to the USA (+71 %) nearly reaching Rs 4,000 million whilst exports to the usual EEC market recorded a modest growth (+8%). Comparison with previous years' figures shows the growing importance of markets such as Madagascar, Zimbabwe and Hong Kong. exports to Madagascar (Rs 224 million) and Hong Kong (Rs 89 million) doubled last year's figure and exports to Zimbabwe amounted to Rs 77 million compared to Rs 47 million in 1992.

Table 9 on the EPZ detailed exports shows that textile products still dominate with exports worth Rs 13,300 million in 1993 representing 84 percent whilst the non - textile sector maintained its contribution of 16 percent.

Imports also increased significantly by 31%, from Rs 7,133 Million to Rs 9,326 million. The bill for machinery and equipment for the first time attained Rs 1,105 million representing a 63% increase over 1992 whilst imports of raw materials valued at Rs 8,221 million rose by 27%.

Consequently net exports, i.e exports minus imports yielded Rs 6,495 Million and its ratio to exports dropped to 41% from 45% in 1992 and 42% in 1991. This decrease is the result of the higher growth of imports, probably due stock building by enterprises

Fig 4 - EPZ Exports and Imports
